Confirmation of your Booking

Securing your booking: If, after we meet, it's decided that I'm conducting your wedding, you'll then need to transfer 20% deposit of the total fee, to secure your booking. That spot in my diary is then all *YOURS!* (On receipt of the deposit I will send you a *Client Agreement* to complete and return).

There will be no charge for travel unless your venue more than 50km (one way) from my home. If further we can discuss and set charge prior to you signing the *Client Agreement*.

The balance of the fee needs to be paid no later than one month before your wedding day.

I am sure you will understand that if, in the very unlikely circumstance, you decide to cancel your wedding booking, the payment made, up until the cancellation date, is not refundable.

If, due to unforeseen circumstances, you need to change the date of your marriage, I will do everything I can to accommodate your needs.
